Hi Lorena,

I'm reaching out to see how we can go about getting a crosswalk installed across Hollywood Blvd. at El Centro. The property owner is willing to pay for it "within means" and I'd love to start progress on this before the property opens to the public. Please let me know which steps to take or how to go about doing this. If you'd like, you can reach me on my cell: 323.873.9775

The map below is where the requested crosswalk would be.

Thank you so much!

Oh wait. Sorry. Lorena is the person for utility boxes. This request has to be made separately through myladot.lacity.org - I was going to make it and then follow up with our engineer, Bhuvan Bajaj.

Thank you! Do you want me to make the request and then you can follow up with the engineer?
